Mission statement:

our mission is to serve quality coffee in a welcoming atmosphere, with the goal of sharing our "overflow" with a community in need.

what we're about:

At overflow we strive to serve, inspire and engage our customers in an ongoing partnership in helping our community through charitable giving. with a "pay-it-forward" attitude, we want to be more than just another place to fill an empty coffee cup. The difference here is, come empty, leave overflowing.

who we are:

we are a neighborhood coffee shop, staffed by friendly local people who share our vision and have a stake in making our community better. when our doors are open, we welcome people from Owensboro and all over to meet and get to know one another.

we contribute our profits to the community by supporting charitable and civic activities.

may the God of hope, fill you with joy and peace as you trust in Him so that you may OVERFLOW with hope by the power of the Holy spirit. - Romans 15:13
